# THE ULTIMATE 7 DAY ESCAPE

## DAY 1: SETTLE IN

Welcome to paradise! Kick off with a wander down to Four Mile Beach to bask in the beauty of the golden sands or take a dip in the warm waters – just be sure to swim between the flags. Admire the tropical sunset at Rex Smeal Park or join a sunset sail before taking a gentle stroll down Macrossan Street, lined with fairy lights. Discover why this picturesque seaside village is famed for its vibrant and varied dining scene.

## DAY 2: GET WILD

This region is teeming with extraordinary wildlife unique to our area. Wildlife attractions provide an opportunity for breakfast and lunch encounters, hand feeding kangaroos and wallabies, spotting a cassowary up close. Enjoy entertaining and educational presentations including snakes, koalas and crocodiles. In Port Douglas, book a tour on the iconic riverboat as she glides along the Dickson Inlet to spot crocodiles lurking or sunning themselves on the banks.

## DAY 3: EXPLORE A GREAT NATURAL WONDER

The World Heritage listed Great Barrier Reef is the only living structure that can be seen from outer space. There is a Great Barrier Reef experience to suit all ages and swimming abilities. From snorkelling to diving, island adventures to secluded sand cays, scenic flights, full day or half day experiences – even those that don't want to get wet won't miss out on exploring this underwater wonderland.

## DAY 4: ROAD TRIP BEYOND

Kuranda and the Tablelands holds an abundance of natural beauty and delicious treats. From quaint villages and waterfalls to volcanic lakes alongside cheese farms, chocolate makers and coffee plantations, the area has a rich diversity of nature and fun. Venture an hour south to a rainforest cableway to Kuranda and set forth on a self paced exploration or join a tour stopping in at delicious "foodie" venues across the Tablelands.

## DAY 5: DREAMTIME

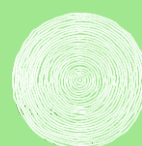

The Eastern Kuku Yalanji are the traditional custodians of these lands. Mossman Gorge is an area of huge spiritual and cultural value to the Kuku Yalanji people. Experience a dreamtime walk where guides share their fascinating, ancient knowledge of this area. Half day tours float along the Mossman River and glide through crystal clear waters surrounded by the life of the rainforest. Small group tours search for and taste bush tucker, practice spear and boomerang throwing and visit cultural sites throughout the region.

## DAY 6: DEEP INTO THE DAINTREE

Head north and cross the mighty Daintree River to enter the world's oldest living rainforest. Admire sweeping views from lookouts, stroll a boardwalk, visit an interpretive centre, cool off in a rainforest creek and possibly spot a cassowary in the ancient surrounds. By booking a Daintree Rainforest tour, guests benefit from local knowledge, private access to hidden gems and gain a deeper understanding of this Jurassic forest.

## DAY 7: FAREWELL

Wrap up with a visit to the bustling Port Douglas Sunday Market. It's the perfect spot to pick up a final souvenir (and plenty of tasty, sweet treats!). Take in the last of the Port Douglas vibe with a walk up the Flagstaff Hill Walking Trail, basking in the final views of Four Mile Beach, the Coral Sea, and the Daintree Rainforest before the hour journey to Cairns Airport.
